

Harrison Holt

Senior Marketing Operations & Automation Professional

Dallas, TX · harrisonholt@outlook.com · linkedin.com/in/harrison-holt · harrisondholt.github.io/portfolio

SUMMARY

Marketing operations and automation professional with 10 years running B2B lifecycle and demand-generation programs as operational systems: segmentation, lead scoring, campaign QA, and the CRM and marketing-automation integrations that keep reporting accurate and programs scalable. Hands-on across Oracle Eloqua, Salesforce Account Engagement (Pardot), Salesforce Marketing Cloud, and Zoho. Team-lead experience delivering enablement, training, and documentation across multi-client environments.

SKILLS

Automation and CRM: Eloqua, Salesforce Marketing Cloud, Pardot, Salesforce CRM, Zoho, HubSpot, CRM/API integrations, trigger and behavioral campaigns, AI-assisted automation (Eloqua Send Time Optimization, Fatigue Analysis, Account Intelligence)

Analytics and reporting: Tableau, Power BI, Google Analytics, tracking tags and scripts, marketing attribution, A/B testing, KPI dashboards

Strategy and operations: B2B email marketing, demand generation, customer marketing, lead lifecycle and scoring, segmentation and personalization, GTM and pipeline strategy, RevOps alignment

Governance and enablement: Data governance, email deliverability and compliance, CAN-SPAM/GDPR, double opt-in and preference-center management, HTML/CSS/JavaScript for email and landing pages, training and documentation

EXPERIENCE

Marketing Operations Consultant · Freelance, Remote

Nov 2025 – Present

- Supported platform migration to Zoho, including workflow builds, campaign QA, and stakeholder documentation
- Rebuilt lifecycle automations and data mapping to preserve segmentation logic and reporting continuity through the platform transition
- Created sales team training and enablement documentation for the new platform, and developed templates and prep work for importing historical deal data

Senior Marketing Automation Specialist · Hero Digital, Remote

Jun 2022 – Dec 2024

- Optimized lead scoring models and segmentation frameworks, driving a 15% lift in MQL-to-SQL conversion
- Redesigned nurture programs across lead generation, onboarding, and re-engagement to accelerate pipeline velocity
- Architected trigger-based campaigns using predictive scoring for form submissions, content downloads, and engagement-based routing
- Improved email deliverability by 10% through data hygiene, subscription governance, and authentication protocol alignment
- Built KPI dashboards in Tableau and Power BI to analyze campaign performance trends and identify optimal send times

Marketing Automation Specialist · Hero Digital, Remote

Jun 2019 – Jun 2022

- Scaled targeted email programs across 14M+ contacts, reducing list churn and improving average open rates by 12%
- Executed A/B testing across subject lines, messaging, and cadence, lifting engagement and conversion rates 10–15%
- Designed and maintained CRM and marketing automation integrations, enabling accurate data flow and scalable execution
- Partnered with sales and content teams to streamline campaign builds and QA, improving data integrity and release consistency

Marketing Operations Specialist · Nurturelabs, Dallas, TX

May 2018 – May 2019

- Directed 2 marketing automation migrations to Salesforce/Pardot with zero data loss, advising clients on systems architecture and CRM integration design
- Conducted CRM ecosystem readiness assessments ahead of client migrations, auditing integrations and flagging dependencies to reduce implementation risk

Martech Team Lead · EBQ, Austin, TX

Feb 2016 – Apr 2018

- Led a 6-person marketing systems team supporting CRM implementations and Pardot automation architecture across 10+ client environments
- Delivered 100+ enablement sessions for 3- to 12-person client teams, defining QA processes and operational standards that drove platform adoption

CERTIFICATIONS AND EDUCATION

Marketing Cloud Account Engagement (Pardot) Consultant, Salesforce · Eloqua Implementation Specialist, Oracle (in progress)

B.S., Mass Communication & Public Relations, Cum Laude · Texas State University, San Marcos, TX · December 2015
